Aurel

The world is loud.

Now, turn it down.

INTRODUCING

Aurel One

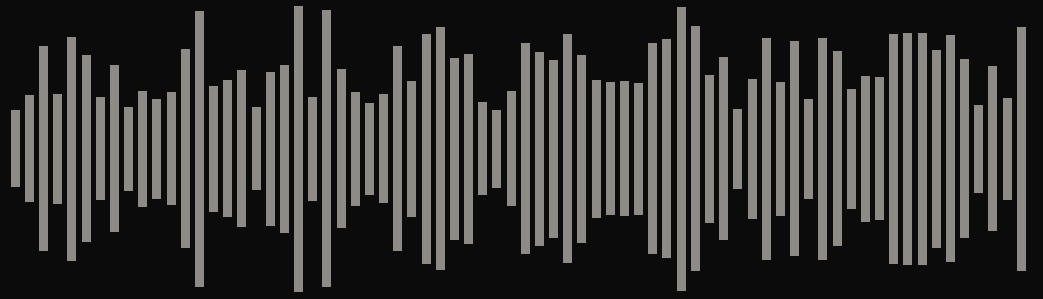
Noise-cancelling headphones from Aurel.

ACTIVE NOISE CANCELLING

[XX] dB

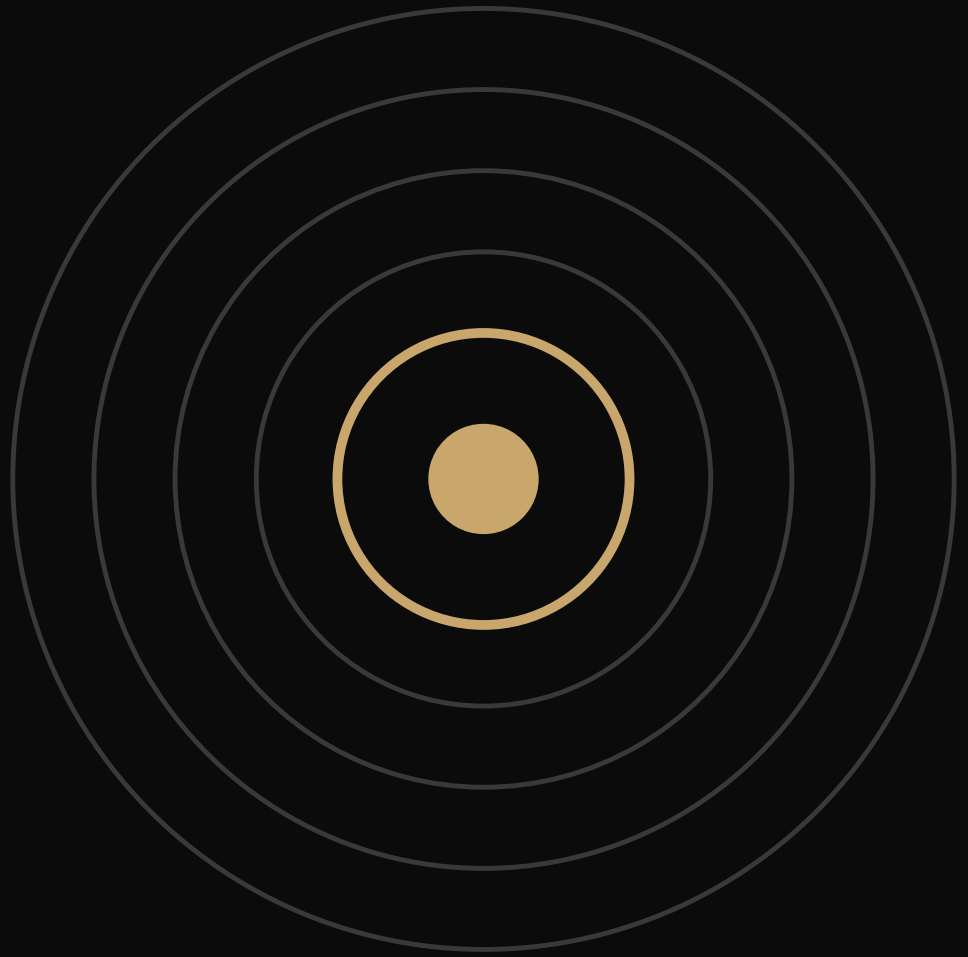
less of the world around you.

Without



With Aurel One

[XX] dB: noise reduction and test conditions to be supplied by Aurel engineering. Waveforms are illustrations, not measurements.



SOUND

Hear only what you choose to.

[XX] mm drivers, tuned by [team or partner].

COMFORT

[XXX] g

Light enough to forget you are wearing them.

[XXX] g: weight to be supplied by Aurel.

BATTERY

Power for the whole trip.

[XX] h

on one charge, noise cancelling on.

[X] min

of charging gives [X] hours more.

Battery and charging figures and their test conditions to be supplied by Aurel.

Designed around the way you listen.

01

[Feature 1]

[One line on what it does for the listener.]

02

[Feature 2]

[One line on what it does for the listener.]

03

[Feature 3]

[One line on what it does for the listener.]

Choose your finish.

[Finish 1] [Finish 2] [Finish 3]

Swatches are neutral placeholders: finish names, colours and count to be supplied by Aurel.
